18:30 hrs

STEIERMARK-BÜRO

Avenue de Tervueren 82
1040 Brussels

RSVP

steiermark-office@stmk.gv.at

Leonhard Müllner und Susanna Flocks artistic work is coined by experimental strategies and a conceptual approach.

The examination of the impact of digitalisation on society and aesthetics forms a thematic basis for both of them.

Additionally Flock also understands language as material of her work, while Müllner also uses public space as an artistic playground for site-specific interventions.

Opening

Christopher Drexler, Regional Minister of Culture
